Draft DCID on IAC Committee on Documentation

1. Attached is a memorandum from the Chairman, Subcommittee on Information Processing (AHIP), enclosing a draft DCID 1/4, incorporating proposed terms of reference for a new standing committee of the IAC on documentation. As you will note, this draft DCID has been coordinated by the member agencies of the IAC through their representatives on the Subcommittee on Information Processing.

2. The question of the approval of this new DCID will be placed on the agenda of an early IAC meeting (probably 1 April). At the same meeting the IAC will be asked to note the Third Annual Report of AHIP (IAC-D-95/7, 25 March 1958) which is being circulated separately.
